

## Sign-up Sheet – Health Club Membership

As a benefit of my employment, Informed Marketing Services Inc. (IMS) is offering memberships at Forever Young Health Club, located in Green Island. This membership is purchased on a month-to-month basis.

Currently, the monthly rate is \$25 per month. The company will pay \$12.50 and the remainder will be deducted from my Gross Payroll. The rates may change from time to time and the company's contribution may change based upon the discretion of management.

I understand that to qualify for this Employee Benefit, I must achieve and maintain all the requirements, including Full Time Attendance, which are necessary to qualify for Employee Benefits.
